Shri Subash Yadav, counsel for the petitioner.

Shri Vinod Shrivastava, G.A. for the State/respondents.

Heard.

By this petition, the petitioner who appeared in pre-medical entrance examination commonly known as PMT for the year 2004 and when the result was declared, he secured a rank of 229 in the merit list whereas according to petitioner, he had also appeared in the PMT examination conducted for the year 2003 and in that examination he secured a rank of 210 and on this ground the petitioner submits that valuation was not properly done and therefore a prayer is made. He further submits that the petitioner applied for revaluation of the answer sheets of physics and chemistry in the year 2003 also. He was informed by the respondent No.3 (Annexure P-6) that after revaluation no change in the result. Learned counsel for the petitioner submits that he is a meritorious student and to demonstrate this, the mark sheets of High School and Higher Secondary certificates examinations are annexed as Annexure P-7 and P-8.

I have heard counsel for the parties.

From the perusal of the petition, it appears that though the petitioner had applied for revaluation in the year 2003 he did not apply for the same after the result of examination for the year 2004 was declared. Even otherwise except the ground that the petitioner performed well in the previous examination of PMT nothing material has been filed to persuade this Court to interfere. Accordingly, I am of the view that there is no substance in the petition and the petition is liable for dismissal and accordingly it is dismissed.

In view of this order, I.A. No. 6535/2004 stands disposed of.
